

Pathway Home of the Finger Lakes

2022-23 Annual Report

Community Support Vital

Since opening in March of 2017 Pathway Home has cared for 113 residents and their families.

Community support for Pathway is strong and has been since 2011 when the work began to raise funds for the house and continued after the home opened in March of 2017. The financial report on the following page reflects that.

We had three major events during the 2022-23 fiscal year: our Annual Gala in September of 2022, our Pot of Gold dinner in March of 2023, and the annual Butterfly Release in June of 2023.

The first two are important fund raising events. The Butterfly Release is a time for the community to pause to remember those who have died, whether or not they passed their final days at Pathway.

Continued community support will allow us to continue serving those who need us.
