A Brief History of Pathway Home

In 2009 a group of individuals came together to discuss the need for a comfort care home in Seneca County. Several of them were Seneca County residents who worked in hospice programs and had seen the need for this service.

Community support made it possible for Pathway to purchase a home on Mound Road in Tyre in October 2015. Pathway accepted its first resident on Feb. 28, 2017, and since then has cared for 145 people.

Consider Becoming a Pathway Volunteer

Pathway Home could not provide the service to individuals and their families without the commitment by volunteers who provide care to our residents 16 hours each day. (An 8-hour night shift is covered by paid staff.)

Pathway makes it possible for people who are unable to stay at home get hospice care in a home-like atmosphere. Families can and do remain involved in the resident's life. We do not restrict visitation.

Volunteers provide patient care in the same way a family member would if the resident was at home. Support from professionals is available as needed.

We ask you to consider becoming a Pathway volunteer. Volunteers receive the training they need from our staff; no prior experience or qualifications are required. Volunteers determine when they will be able to work.

Resident care volunteers work 4-hour shifts from 7 a.m. to 11 p.m. each day. The shift may involve bathing, turning and repositioning, giving medications and other care giver tasks. It also involves a lot of laughter, lightheartedness and great conversations.

If you are interested in helping, we encourage you to schedule a visit to learn more about the day-to-day activities at the house. Call 315-257-0307 and leave your name and contact information.

ST. PAUL'S EPISCOPAL CHURCH WATERLOO, NEW YORK

The Vestry and Members of St. Paul's thanks all those involved with the Pathway Home for being such a blessing to our community.

We meet every Sunday morning at 10 a.m. for worship in our beautiful, historic church. Our worship service lasts about one hour. Visitors and those looking for a parish home are always welcome at St. Paul's. We are a friendly parish and our ushers will greet visitors, help them find a place to sit, and give them some written material to make it easy to participate in our service. Singles, couples, and families are all welcome.

We know that visiting a church for the first time can make some people a bit anxious. We will do all that we can to make your visit to St. Paul's enjoyable and meaningful. We hope that you will stay and have a cup of coffee with us after the service.

Ferrara Lumber has been a fixture in Seneca Falls since 1959. The core value of Ferrara Lumber is blending a good business sense with a commitment to the community. Because of this, the business has maintained its position in the face of competition and adversity for over 50 years. Third generation owners Sarah, Matthew, and Stefania follow that core value to this day.
