

Pathway Home of the Finger Lakes

2019-20 Annual Report

A Year of Unexpected Events

2019-20 started like any other year at Pathway Home, with volunteers and staff providing care for people in the last stage of life and more than 1,000 program supporters helping with fund raising appeals and events to make sure the program could continue serving individuals and their families.

Then Covid hit. We were forced to cancel a series of fund raising events and activities at the home were affected for a time as some volunteers were wary of leaving their homes. At the same time, the organization worked through some leadership changes as both the assistant director and the executive director left the staff.

Also leaving Pathway due to moves out of the area were the former executive director and long-term board member Karen Beals, and the board chair during 2019-20, Rev. Laura Calos.

Pathway is completely dependent on fund raising events, donations and grants for its continued operation. It receives no insurance payments or other regular income. With the loss of those fund raising events, voluntary contributions became more important than ever. We salute our supporters by listing them here.

Pathway Home is a 501(c)3, tax exempt organization.
