

# Pathway Home of the Finger Lakes

## 2021-22 Annual Report

### Continuing to Serve

The 2021-22 year was a busy one for Pathway Home.

We welcomed a new resident care manager, Tammy Smith, and several new volunteers. Sharon Geraci joined our board, as did Martha Shields, who has been part of Pathway since it opened in 2017. Serving first as a board member, Shields became executive director in 2017. She left that position in 2020, but continued to volunteer at Pathway, both in resident care and on our Events Committee.

A grant from the Emerson Foundation of Auburn made it possible for us to rebuild our resident bathrooms to improve accessibility and make them much easier for our residents, staff and volunteers to use.

The Memorial Garden, which has been planned for a few years, is near completion.
